The Board would like to ask all community members to remember that the members of the Board of Directors and WCMD committees are volunteering their time and commitment to the growth and betterment of the district. Please keep this in mind in your communications with the board and in so doing, courteous and civil discourse whether in writing or in person is not only appreciated, but has better results as far as getting community needs met and is better for everyone's well being. Directors cannot make decisions without consulting the board and taking action at board meetings on matters such as late fees or property repairs. In 2020, board meetings will be held the first Monday of every odd month at 6pm in the park laundromat, unless specified otherwise. The meeting schedule will be posted on the website along with any date changes. Please refrain from crosstalk while the meeting is in progress. Every agenda allows for public comment (3 minutes per resident) at the end of each meeting. The format is to assist with timely, efficient, and productive meetings.
